

## Clueless Creation

BS Murthy

Told God man In Genesis One  
Him He created in form of His  
Not when asked as how He did  
Thought He fit in Genesis Two  
To tell He used the dust for that  
But to change tack after that,  
So in time Muhammad told  
Made Jibrail recite him  
In the name of One who makes  
Man on earth from clot of blood,  
Failed as he then to enquire  
Wherefrom He gets all that blood  
And since God hath sealed His mouth  
Knows not man the true roots of his.
